Dear President Kurt Karst,

I am deeply moved by the greeting video carefully made by Villa Musica and GDCF Mainz-Wiesbaden around the corner of the Chinese New Year. I would like to take the occasion to express my sincere gratitude to you and to other friends.

Ox represents diligence and strength, which suggests the coming year will be a year of ploughing and harvesting. We are ready to work together with you to get over the pandemic and restore our cooperation in people-to-people and cultural exchanges to make new contributions to the friendship between our two peoples!

On the occasion of the Chinese Spring Festival, I wish you good health, every success and a Happy New Year of Ox! Looking forward to meeting you soon!

Best regards,

Amb. Lin Songtian
